Environmental Impact in Hong Kong

400,000 sq.ft. of bamboo plantation sponsored in Hong Kong, operated by Take Foundation, which will result in 131 tonnes of CO² sequestration within 4 years. The ambition is to offset the carbon footprint of event operations and attendee travel.

Additional project benefits:

- Absorption of Co2 into the bamboo both above and below the soil enriching the land it's planted on
- Release of Oxygen into the atmosphere making Hong Kong a greener city
- Creation of local jobs in the community prioritising disadvantaged groups

Social Impact in Hong Kong

Beneficiary fund made up from delegate fees (HK\$347,000), discharged to HandsOn Hong Kong's "Rethink Plastic" project which will support 1,000+ volunteer engagements and provide a living wage to 7 elderly cardboard collectors to sort +550KG of recyclable plastics by January 2023.

Testimonials

“The conferences and panels are definitely forthcoming and insightful, ReThink HK2022 provided a platform for those like-minded sustainability professionals to engage, collaborate and commit!”, **Ms. Wing Lam Yeung, Sustainability Analyst, Swire Coca-cola Limited (Delegate)**

“It was an excellent event for networking but also the place to keep up with current discussions around sustainability. It was great to have insights from leaders from different markets and industries. Our team tremendously enjoyed meeting other businesses. It’s the place to be for networking with sustainability teams.”, **Mr. Richard Bourne, Senior Vice President APJ Region, EcoVadis (Delegate)**

“Excellent energy and very relevant conversations had! Perfect platform for like-minded people and businesses to build stronger partnerships for a brighter future.”, **Ms. Jessie Chuen, Corporate Affairs & Engagement Manager, L'Oréal Hong Kong (Exhibitor)**

“ReThink HK is a great place to showcase solutions to Hong Kong’s environmental problems. We have had gained many new leads through the event, and it’s great to see it growing each year!”, **Mr. Tim Parker, Founder & CEO, Circular City Limited (Exhibitor)**

“ERM was a Tier 1 Sponsor at ReThink HK 2022 and it was a hugely rewarding experience for the company and our team present onsite. Not only were we able to connect with existing and new clients, but also to contribute to the dialogue around achieving Net Zero by 2050 through various panel discussions.”, **Mr. Robin Kennish, Director, Corporate Sustainability & Climate Change, Environmental Resources Management (Sponsor)**

“This is the second time I attended ReThink HK and it's going from strength to strength. The diversity of speakers and topics demonstrated the concerted effort of the ReThink HK team in ensuring multiple voices are heard. And the exhibitors from corporates to start-ups, NGOs to social enterprises provided opportunities for attendees to be exposed to new ideas. Can't wait for ReThink HK 2023!”, **Ms. Olivia Wong, General Manager - Environmental & Social Responsibility, MTR Corporation (Sponsor)**

“I was delighted not only with the variety and richness of the content at ReThink HK, but with the sheer energy of the show! It was amazing how many people participated and how much expertise was there. I believe ReThink has now become THE sustainability event for Hong Kong.”, **Ms. Genevieve Hilton, Co-Chair, E&ESG Committee, AmCham HK (Speaker)**

“The event was run seamlessly and it was great to see participants across industries come together. It was also an opportunity to network and share knowledge with industry professionals that have translated to next steps and partnerships. We must do this again next year!”, **Dr. Rajeev Chib, Asia CAO Citibank - Financial Institutional Sales & Solutions, Citibank (Speaker)**
