

ReThink HK 2026

10-11 September, HKCEC Hall 1CDE

NGO Exhibitor Event Set-Up Manual

Dear Exhibitor(s),

Welcome to ReThink HK 2026!

This Manual is designed to provide you with all the information regarding your participation in **ReThink HK 2026**, taking place at the HKCEC in Hong Kong from 10–11 September 2026.

It contains all the deadlines, information and order forms you will need to set up a good looking, safe and sustainable booth within the Showcase Expo.

Please arrange to review information with all your team members who will be involved in the design and hosting of your booth at the event.

Next Steps

We kindly ask you to log in to the [ReThink HK Exhibitor Portal](#)

- i) acknowledge your understanding of the guidelines
- ii) fill in the relevant order forms
- iii) submit graphics files (for your booth)
- iv) order any additional furniture and booth supplies (if required)

For the deadlines, please refer to Page [08](#) and ensure relevant colleagues are aware of these – there is little or no room for extensions.

We look forward to welcoming you to ReThink HK 2026.

Yours sincerely,

Maria Fung
Head of Event Operations
ReThink HK

5. Important Information for ALL exhibitors

ABIDE BY THE ORGANISER'S REQUIREMENTS

The Organiser reserves the right to alter or remove without notice, and at the Exhibitor's expense, any booth which differs from the approved specification or any booth that does not conform to the Organiser's required standard, rules and regulations. The Exhibitor shall have no claim against the Organiser or its agents for any extra cost of replacing its booth to conform to the Organiser's required standard, rules and regulations or for any other losses or damages relating thereto.

Work of any kind carried out at the Exhibition Venue must conform to the current local laws and regulations in force in Hong Kong and those specified by the Organiser. This applies to the exhibitor, its agents, contractors and subcontractors. The Organiser reserves the right to stop any work which contravenes any of these laws and regulations and the exhibitor shall have no claim against the Organiser or its agents for any losses or damages relating thereto.

ADMISSION

ReThink HK 2026 is a TRADE ONLY event.

All exhibitors and booth helpers must be registered and required to wear an admission badge during their visit.

Under the Terms of Licence, no persons under 18 years of age are not allowed into the event during the entire period (including move-in, show open days and move-out) without prior agreement of the Organiser.

The Organiser reserves the right to refuse admission to the exhibition of any visitors, exhibitors or their agents who are at the absolute discretion of the Organiser regarded as unfit, intoxicated or in any way likely to create disturbance or discomfort to the event, other exhibitors or visitors.

GREEN COMPLIANCE

The Organiser is dedicated to hosting the event in a sustainable manner and expect all exhibitors to undertake initiatives that promote greater environmental responsibility.

Please **DO NOT** bring additional display materials or any printed promotional materials. We encourage you to only bring ethically-sourced and sustainably produced promotional gifts.

Vinyl pull-up display banners are **strictly prohibited** and will not be permitted into the event venue. We encourage you to use digital display signage as alternatives.

No single use plastic bottles are permitted into the event. We will provide a water refill point and encourage ALL attendees to bring a refillable water bottle and a reusable coffee cup.

GENERAL INFORMATION

- Please note that all Showcase booth displays will be provided as part of your sponsorship package (for Standard booths)
- The backdrop and podium graphics will be produced, installed, removed and recycled by the Official contractor
- If you wish to take your display away after the event please let the official contractor, AMC (Exhibits) Ltd know in advance.
- No tape, nail or fixture of any kind is allowed to be affixed to the partitions, floor, pillar or fascia. Exhibitors are liable for any damage caused to their booth fixtures and fittings at the expo.
- The exhibitor will be charged for the cost of making good, restoring or renewing any damage to the hall or booth site. This will include marks by paint and adhesive tapes, etc.
- Pre-inspect your area to ensure there are no damages before commencement of construction. If for any reason there are damages, please report directly to the Official Contractor counter - AMC or Organiser's Office - Room G110, near Hall 1D entrance.

All standard booth items are on rental basis and not permitted to be removed from the exhibition hall.

- No items can be exchanged or refunded from the standard equipment for the standard booths. It is not allowed to take furniture(s) from other Exhibitors / booths.
- Exhibitors are not allowed to make any alterations to the structure of the booths or remove any integral parts from the booths including carpets. Exhibitors wishing to add any furniture or supplies within the booth should submit to the Official Contractor **on or before 31 Jul 2026**. Additional charge will be incurred after the order deadline. Additional order of AV equipment, broadband internet, furniture and supplies can be catered for on-site with extra loading. Further relocation of lighting fixtures can be arranged on 09 Sept., the latest.
- The **maximum loading weight for hanging up exhibit display** for each 1mW panel is 5 KGS (evenly distributed along the span). Any exhibits more than 5 KGS, please contact the official contractor for additional fixation and the cost incurred will be charged to Exhibitor's own account, if any. Exhibitor shall be liable to compensate for any panel damage or accident caused by overweight hanging.
- The standard height of the booth's system panel is **2.5** metres. Side panels have a standard height of 1 metre. No exhibit or promotional material may adhere to or be suspended from the side panels unless arranged with the official contractor. No display item of the exhibitor may be placed outside the specified area, or the organiser will have the right to require any exhibitor to return the booth to its original state at the exhibitor's cost.
- All booths must be manned, displayed and furnished with exhibits at all times during the expo.
- If no representative has shown up at the booth before 18:00 on 09 September 2026, the Organisers have the right to use the booth for any purpose without the exhibitors' permission nor refund.

- Exhibitors must not remove any of their exhibits on display from the booths until the expo is officially closed at **18:00 on 11 September 2026**.

SECURITY & INSURANCE

The Organiser is responsible for the general security of the entire venue but will not undertake any financial or legal responsibility for any type of risk concerning or affecting the Exhibitors, their personal belongings and exhibits. Furthermore, the Organiser will not undertake any financial and legal responsibility for any loss or damage suffered by any third party by theft, fire, public (including occupier's liability) and other natural causes. Exhibitors are therefore responsible for effecting all necessary insurance which should include (but is not limited to) their displays, exhibits, stand fittings and fixtures, and other third parties against loss or damage by theft, fire, public (including occupier's liability) and other natural causes.

Each exhibitor is responsible for any damages done to the Organiser's, other exhibitors', booths, the venue's property or to the property of third parties.

The Organiser undertakes no financial or legal responsibility for any type of risk concerning or affecting the exhibitors/visitors, their personal belongings and exhibits. The Exhibitor shall, at its sole cost and expense, purchase and maintain, throughout the term of the Exhibition, public liability insurance against claims of bodily injury or death and property damage occurring resulting from its activities during the exhibition. The Exhibitor shall also be responsible for effecting insurance which shall include (but not limited to) its displays, exhibits and stands against loss or damage by theft, fire, water, public (including occupier's liability) and any other natural causes. The public liability limits under the insurance policy shall be sufficient to cover the Exhibitor's risk and recognise EnviroEvents (Rethink) Limited as an additional insured. The Exhibitor shall produce such policy of insurance to the Organiser upon request.

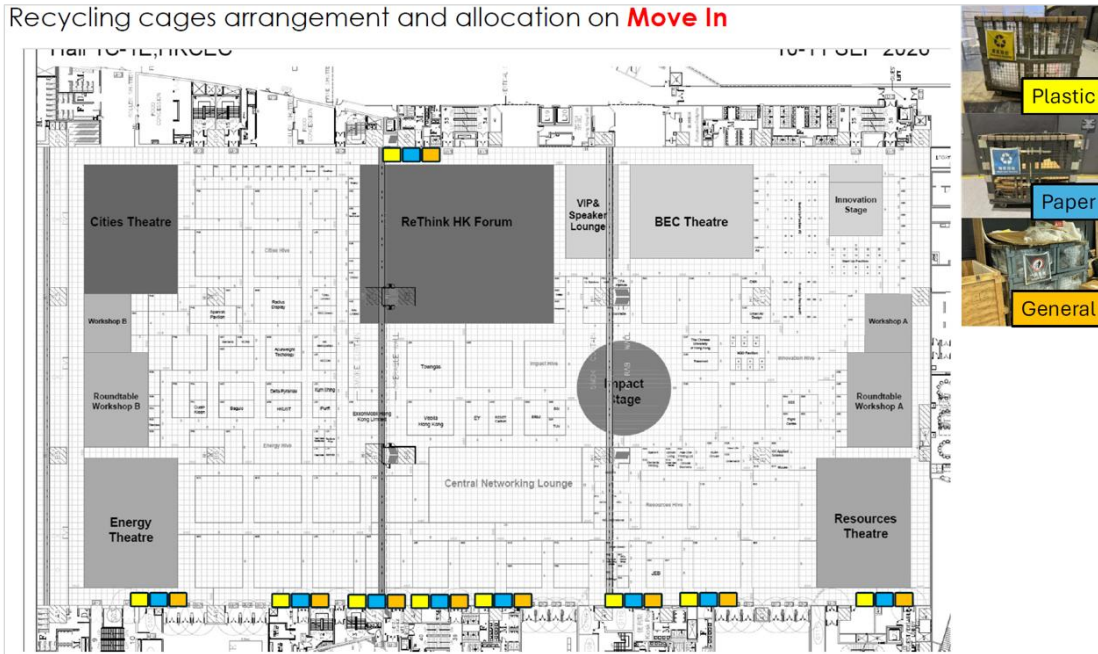

Raw space exhibitors must submit their own liability insurance certificate.

BOOTH CLEANING

- The Organisers will be responsible for the general cleaning of showcase booths and hall passage way each day after the exhibition.
- Standard Showcase Booths will have their booth cleaned each evening.
- Raw Space Exhibitors have to arrange their own booth cleaning
- No trash bin will be provided for individual booths.
- After the exhibition closes each day, exhibitors should ensure any rubbish from their booths is collected, separated and deposited in the appropriate recycling bin within the venue – unrecyclable waste should be taken away from the venue.

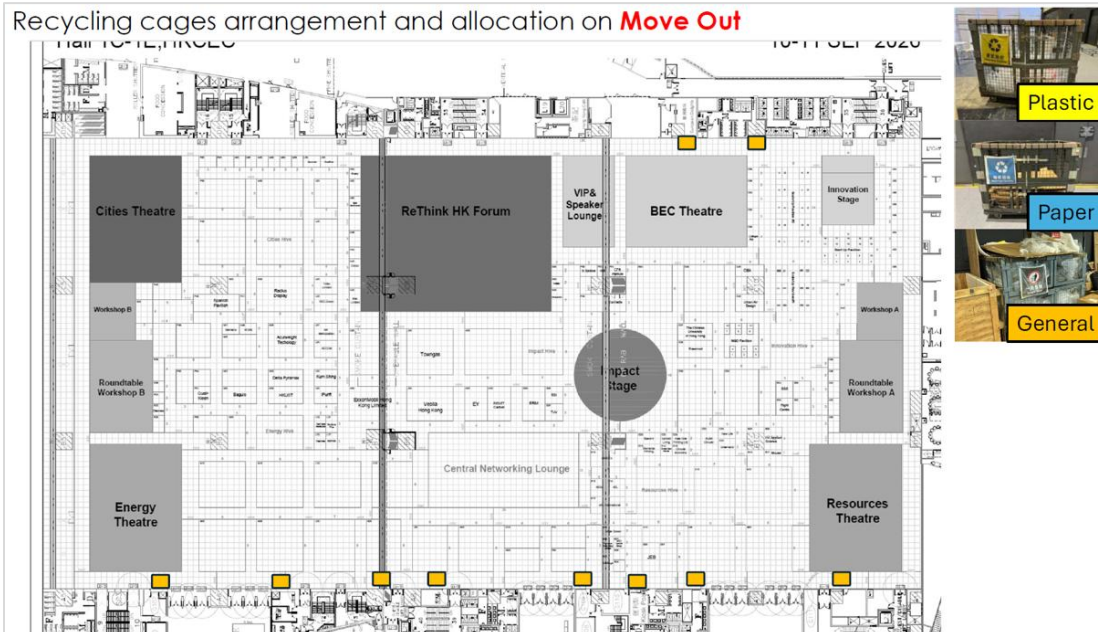

During move-in periods, designated cages for general waste and recycling are strategically positioned in the front rows of the Hall.

Recycling cages arrangement and allocation on **Move In**

During move-out periods, it is the responsibility of all exhibitors and contractors to remove all non-recyclable waste from the venue. Only general waste cages are available during move-out.

Recycling cages arrangement and allocation on **Move Out**

Note: Any excessive or additional cleaning required on a booth, other than what has been stated above, will be charged by the HKCEC and exhibitor thereof.

DISPOSAL OF CRATES, BOOTH FITTINGS AND MATERIALS

The removal and disposal of crates and booth fittings or materials are not covered in the sales of booth or space and, therefore, are subjected to an additional charge imposed by the Exhibition Venue or other sum as the Organiser may reasonably determine.

[RTHK26 - Enquire about storage space availability](#)

11. Safety & Health Information

HEALTH & SAFETY STATEMENT

- The Organiser, EnviroEvents (ReThink) Limited, is committed to providing, maintaining and promoting, so far as is reasonably practicable, the highest standard of health, safety and welfare at all its events.
- All exhibitors and contractors at events organised by EnviroEvents (Rethink) Limited. are expected to ensure that they provide a safe place and system of work. Successful safety management requires the commitment, involvement and co-operation of all those onsite.

EMERGENCY PROCEDURES & EVACUATION

It is the responsibility of every exhibitor and contractor to ensure that all employees working at HKCEC during ReThink HK 2026 are familiar with the emergency procedures as outlined on the sheet at the end of this section.

GENERAL GUIDELINES

As an exhibitor/contractor at ReThink HK 2026, you **MUST**:

- Nominate a health and safety representative for your booth that is aware of your company's health and safety policy.
- Make sure you and anyone manning your booth understands the fire and evacuation procedures and locations of the hall's emergency exits.
- Make sure that your contractors are working safely. Working at height on ladders and scaffolding must do in a controlled and safe manner. Time constraints are no excuse for not adhering to safety standards.
- Drive with care and attention inside and around the exhibition hall. Do ensure that operators are fully trained and properly certified on the equipment being used.

- Make sure all electrical work is carried out by a qualified electrician.
- Ensure that all rubbish and packing from your booth is removed from the site. It must not be stored on or behind your booth during the show.
- Ensure that measures are taken to minimise the impact of your operations on the environment.
- Make sure that hazardous waste is disposed of safely. Please note that fluorescent tubes contain hazardous materials.
- Make sure that you are properly insured for the exhibition.
- Treat all electrical cables as though they were live.
- Be aware of others working around you and report any concerns you may have about unsafe work practices or violation of the health and safety procedures outlined.
- Ask the advice of the halls management or the Organisers if you are in doubt about any aspect of health and safety issues.
- Abide by the events sustainability guidelines and requirements

As an exhibitor/contractor at ReThink HK 2026 you **MUST NOT**:

- Bring children UNDER 18 into the halls particularly during build-up and breakdown. The halls are regarded as a potentially dangerous place of work during these periods.
- Overload trolleys – not only does this damage your exhibits but it will make it much harder to manoeuvre your way to your booth through crowded aisles and may cause injury to you or other people.
- Have overloaded or insecure displays. Booths and displays can be knocked by visitors and must be safe and secure.
- If you have any queries regarding your responsibilities towards the health and safety issues outlined above or the actions that you are required to take by law, you must contact the Organiser, Enviro(Events) Rethink Limited

ALCOHOL AND DRUGS

The abuse of alcohol, drugs and other addictive substances can affect work performance and impair safety.

Therefore, any person found to be under the influence of alcohol, drugs which in the opinion of the Organiser constitutes a danger to themselves or any other person using the venue, will be asked to leave the halls and if necessary will be removed by security.

DANGEROUS MATERIALS & FIRE PRECAUTION

- Temporary gas (LPG), explosive, petrol, dangerous gases, radioactive materials, nitrogen cylinder or highly flammable substances are strictly forbidden in the exhibition halls.
- Gas-filled balloons with the exception of helium filled balloons are prohibited.
- Smoking is strictly prohibited in the exhibition centre.
- Neon lights will be permitted subject to approval of HKCEC and the installation of necessary devices.
- No naked or open flame equipment is to be used in the exhibition halls at any time.
- Any machine, equipment or any other items which generates fumes, exhaust or smoke must have an effective exhaust system in order to assure no complications of any nature to HKCEC staff, workers, contractors, the public or other attendees to the Licensed Area.
- The use of internal combustion engines in the exhibition area is strictly prohibited.

GREEN CARD - CONSTRUCTION INDUSTRY SAFETY TRAINING CERTIFICATE

All exhibition booth contractors who will perform construction work in the venue must acquire “Green Card” (Construction Industry Safety Training Certificates) qualifications. Card holders are required to visually display the “Green Card” when working in the Centre. The venue reserves the right to have security personnel reject entry or remove personnel in case of any dispute regarding credential issues.

OCCUPATIONAL SAFETY AND HEALTH ORDINANCE

Exhibitors and / or their contractors must comply with Occupational Safety and Health Ordinance in construction and dismantling the booths.

- 1) Make sure the workplace is safe and healthy.
- 2) Provide and maintain safety working equipment and procedures.
- 3) Appoint authorised person for on-site supervising of installation/dismantling works.
- 4) Adhere to the occupational health and safety measure as required by the venue operator.

PERSONAL PROTECTION EQUIPMENT

Appropriate Personal Protection Equipment (such as security footwear, helmets, security belt for actions at the heights above 2 metres) against work hazards that may result from booth installation and dismantle should be provided by exhibitors and/or their contractors.

The purpose of the above measures is to make sure the sustainable safety level for both employees and people working in the construction area. Workers who do not wear the proper wears are not permitted to stay in the exhibition halls.

REFLECTIVE VEST

Any person requiring admission to the exhibition Hall 1CDE during the move-in or move-out period is required to wear a reflective safety vest, at all times especially when vehicles and/or forklifts are being operated inside the hall.

It is the responsibility of the exhibitors or contractors to supply their own vests.

REPORTING OF ACCIDENTS

It is a legal requirement that any accident should be reported immediately to the HKCEC duty manager via the Organiser’s Office. Some accidents must be further reported to the relevant bureau or authority from Hong Kong SAR in which case the Organiser will advise.

SAFETY OF EXHIBITS IN YOUR BOOTH

The Exhibitor shall be solely responsible for the precautionary measures (such as guards or other means of protection) to protect the public from any moving or working exhibits. Such moving or working exhibits shall only be demonstrated or operated by competent persons authorised by the Exhibitor and shall not be left running in the absence of such persons. Display of such working or moving exhibits must be subjected to the Organiser's prior written approval.

HEAVY LIFTING

In the interest of health and safety, the officially appointed contractor is the only company permitted to operate mechanical and other cargo handling equipment in the hall and outside in the unloading areas. The self-drive use of lorry mounted 'HIAB' type cranes and lifting equipment will not be permitted within the hall.

SCAFFOLDING

According to the regulation from the Labour Department and Occupational Safety & Health Council, any set up activities for carry ladder over 2 meters or above the floor would not be allowed. The Form 5 permit is required in the using of any safety platform or scaffolding. Worker is required to wear safety belt when working on the platform, scaffolding or high reach equipment.

Note: If this rule is not observed, the Organiser and HKCEC will have the right to stop the relevant construction activity immediately.

TYPHOON/BLACK RAINSTORM WARNING SIGNAL

All exhibitors are requested to note the following emergency measures which will be implemented in case.

Typhoon Signal No. 8 and Black Rainstorm Warning Signal is hoisted during ReThink HK 2026

No. 8 Typhoon Signal or Black Rainstorm Warning Signal hoisted prior to the Opening Hours

1. In case of Typhoon Signal No. 8 or Black Rainstorm Warning Signal is hoisted on the move-in day, the Organisers will carry-on the move-in procedure under an acceptable weather condition.
2. If Typhoon Signal No. 8 or Black Rainstorm Warning Signal is hoisted before 08:00 during the Expo day, the Expo will remain closed for the whole day unless the typhoon signal or Black Rainstorm Warning Signal is lowered at or before 14:00.
3. If Typhoon Signal No. 8 or Black Rainstorm Warning Signal is lowered at or before 14:00 the Expo will be re-opened two hours after the typhoon signal or Black Rainstorm Warning Signal is lowered.
4. Exhibitors are reminded to re-deploy duty staff to man their booths before the Expo is re-opened to the public.
5. The Expo will however remain closed if the typhoon signal or Black Rainstorm Warning Signal is lowered after 14:00.
6. The Organiser will arrange to make an announcement through the local radio channel, RTHK, or exhibitors may call the following hotline should they wish to enquire about any matters concerning these special arrangements: +852 2886 1511

No. 8 Typhoon Signal hoisted during ReThink HK 2026

If No. 8 Typhoon Signal is announced during the Expo, the Expo remains open for day. Public announcements will be made when information issued by the Hong Kong Observatory. Attendee may leave if it is safe and as soon as reasonably practicable.

Black Rainstorm Warning Signal hoisted during ReThink HK 2026

1. If Black Rainstorm Warning Signal is announced during the Expo, the Expo will remain opened after the announcement. Exhibitors and visitors should be encouraged to stay in the Expo for their own safety.
2. When Black Rainstorm Warning Signal is hoisted, new visitors will still be registered and admitted.

12. Emergency Procedures

FIRE EMERGENCY

IF YOU DETECT FIRE OR SMOKE

- Activate the nearest fire alarm station if possible to do so.
- Leave the fire area immediately by the nearest exit (emergency exits marked in green); do not use lifts.
- Close doors behind you.
- Leave the HKCEC by the nearest exit (emergency exit marked in green); do not use lifts.

IN CASE OF FIRE ALARM

(1) IF YOU HEAR A FIRE ALARM

- Remain calm and alert and prepare to leave the HKCEC.
- Resume to normal activities once the fire alarm stops.

(2) IF YOU HEAR A FIRE ALARM EVACUATION ANNOUNCEMENT OR INSTRUCTION

- Leave the HKCEC via the nearest exit (emergency exit marked in green); do not use lifts.
- If you encounter smoke in the stairway, use alternate exit where available.
- Do not attempt to remove vehicles from parking garage or loading docks.
- Follow announcements over the public address system or instructions by HKCEC staff and/or fire/police officials.
- Once outside the HKCEC, stay clear of the HKCEC and Convention Plaza Complex; do not return until declared safe to do so by HKCEC management or fire/police officials.

MEDICAL EMERGENCY

IN CASE OF A MEDICAL

- Give exact location.
- Give detailed information when possible of the situation concerning injury and the cause
- Remain in contact with HKCEC staff until emergency personnel have arrived.

13. Lead Capture / Badge Scanner App License

[Order Online here](#)

The lead capture app eliminates the need to manually collect and transcribe business cards. Categorise the leads you collect against specific products or services of interest, sales team follow ups or any other pre-set category to help with speedy follow up.

- Automating lead capture increases the number of booth generated leads by up to 20%
- Following up with leads from a live b2b event within five days increases pipeline conversion rates by over 50%
- Industry research by FaceTime suggests that, on average, 40% of leads collected manually at b2b events are never followed up on – meaning significant lost opportunities

Follow up Advice

- Send a personalised follow up message within five working days to maximise lead conversion
- Use the category function in Lead Capture to allocate follow ups to appropriate team members

Support

Our registration partner, EventX, will run an online training session in August to guide you through the best way to utilise the Lead Capture app.
